Other Requirements

Applicants who have not completed a basic forensic interview training course must do so within a year of their Project FIND certification to remain in good standing. The Ohio Attorney General's Crime Victim Services Division offers a basic training course. Please refer to their website for additional information.

Please list the name of your basic forensic interview training program and completion date (minimum 32 hours) in the box below and attach a copy of your certificate of training completion. ***This requirement is waived for professionals who investigate crimes against people with disabilities.***

Applicants must have also completed 100 interviews OR have a minimum of 2 years of experience working with individuals with disabilities. Please attach a resume and an expert review or letter of recommendation.

Additional Information:

Are you certified as an American Sign Language (ASL) interpreter or fluent in ASL?

Are you fluent in any languages other than English? Please list all languages.

Have you been used as an Expert Witness through the court due to a specialized training or skill set? Please explain.

Do you require any accommodations to participate in the training? Please explain below.

Please feel free to attach any other information you think may support your application, then return this completed form to contact@adultadvocacycenters.org. Thank you for your interest in this training and the work that you are currently doing for people with disabilities.
