Project FIND:

Advanced Forensic Interview Four-Day Virtual Certificate Training

The Advanced Forensic Interviewing Individuals with Disabilities certificate is designed for established forensic interviewers with previous basic training and extensive experience in forensic interviewing or working with individuals with disabilities. The certificate is founded in forensic interviewing best practices with considerations and adaptations to account for individual disability, mental health disorder, language capacity and cultural background. Read more about this training and find a registration form at adultadvocacycenters.org/training/#four.
