## Project FIND Advanced Certificate Training

---

The Advanced Forensic Interviewing Individuals with Disabilities (Project FIND) certificate is designed for established forensic interviewers with previous basic training and extensive experience in forensic interviewing and or working with individuals with disabilities. The certificate is founded in forensic interviewing best practices with considerations and adaptations to account for individual disability, mental health disorder, language capacity and cultural background. The curriculum is designed to support forensic interviewers to gather information from alleged victims and witnesses in the most reliable and legally defensible manner. Read more about this training and find a registration form at [adultadvocacycenters.org/training/#advanced](https://adultadvocacycenters.org/training/#advanced).

Because of the COVID-19 pandemic, these trainings are currently being held online in eight sessions over five days. The weekly schedule for each Advanced training is as follows:

**Monday** - 8:45 a.m. to noon and 1 to 4:30 p.m.

**Tuesday** - 9 a.m. to noon
